

## Spaced Chocolate Beanie

By Becka, the Knitting Wounded

Lovingly adapted from Tim's beanie from Spaced, the BBC comedy starring Simon Pegg and Jessica Stevenson. This is my first published pattern, so please let me know if you have any questions or issues:

Finished size: 22" (this hat fit my small head and my HusBoy's large head)

Yarn: Rowan Cashsoft DK

MC: one skein

CC: half skein

Needles: US3 16" circular needle & US3 dpn needles

Gauge: 24 stitches and 34 rows per 4" in stockinette

Notes:

Vary the point at which floats are carried row to row to avoid funky lumps.

For jogless stripes, TechKnitting has a great tutorial at: <http://techknitting.blogspot.com/2007/01/jogless-stripes.html>
