

Materials

Loom: Extra Fine Gauge Sock Loom. Wonder Sock Loom was used in sample.

Yarn: 200-400 yards of sock yarn (amount depends on size). Sample was knit with Yartini Vintage.

Notions: knitting tool, 2 double pointed knitting needles size 2 (to use with grafting), tapestry needle.

Gauge: 18sts and 20 rows=2 inches

Size: Shown in child size—done on 48 pegs. For a smaller/larger size cast on the number of pegs needed for that size tube

Pattern notes:

- Child size is outside of parenthesis, in () are the adult sizes. When only one set of instructions is given, follow those instructions for both. Scroll down to find peg sizes for other common sock sizes.
- Worked completely in knit stitch; may substitute with U-stitch or Flat stitch. **Not-ewrap.**

Note: A common misconception is that a person needs a different loom to work a shoe size 6 and a shoe size 9. However, if both persons have a foot that measures 8 inches around, then the only difference is the length of their foot. They will use the same loom, but the person who wears the size 9 will knit more rounds than the person who wears a size 6.

DIRECTIONS

CUFF

Cast on 48 pegs (cast on the number needed for your size) and join to knit in the round

Next: Work in stockinette stitch (knit every row) for 1.5 inches (2 inches for adults). Yarn should end so that your next round goes in a clockwise direction.

HEEL

Next: HEEL INSTRUCTIONS (follow the chart for your sock size below). Done on half of the stitches and worked as a flat panel in short-rows.

SOLE

Next: Continue knitting in the round until item measures 1.5 (2) inches less than desired sock length

TOE SHAPING

Next: Follow Heel instructions (follow the chart for your sock size below)

FINISHING

Bind Off: After the heel instructions have been repeated on the toe area, the toe is ready to be closed. Place half of the stitches on a double pointed needle, and the other half on the second double pointed needle. Cut the working yarn leaving a long tail to use to close the toe area. Use the Kitchener Stitch to close the toe.

Finishing: Weave all yarn tail ends. Block lightly.

Pom Pom: Make 2 pom poms and secure to the back of the rolled top.
